Dear Tom:

Thank you for your recent general and scoping comments on the CALFED Bay-Delta Program. Your comments and concerns are under review by staff and are an important part of the development of this Program.

We will be sending you reports that cover both the general Program comments and Scoping comments in the near future. In the meantime, please write, call or FAX us with any additional comments you may have.

We appreciate your input.

Sincerely,

Lester A. Snow
Executive Director
